Editor's Letter

As I type all's well with the world. England have been booted out of another World Cup tournament early (cricket this time, just to break things up a bit), and the politicians are all playing silly buggers as they get ants in their pants worrying about the forthcoming election. And just to prove that everything's as it should be… here's another issue of *Men Only*, crammed full of hotties showing you the bits that the sun doesn't often reach! Plenty of UK babes again this month to keep the UKIP voters happy, too, so everyone's a winner!

I've always been a breast-man and like a lot of blokes, my opinion is that the bigger the boobs the better. Personally, I feel that a woman should aspire to look as feminine as she can, with curves in all the right places.

I got especially lucky when I met my current girlfriend, Gina, as she has the best pair of norks that I've ever had the pleasure of spraying my load across. Surgically enhanced, with dark, pointy nipples, Gina's firm, bouncy boobs are definitely a cut above the rest of the drooping big bazookas I have previously experienced.

She doesn't need the help of an uplifting bra to display her cleavage, as her love pillows stick out from her chest in the same shapely way that a Barbie doll's do.

Since meeting her some months ago, I've fucked her in every possible position, and to my intense satisfaction she is always hot and ready to take cock in either hole. I've even made some alterations to my bedroom so that when I do her from behind I can still see her fabulous tits reflected in the mirror.

Only last week I was reading the paper when I heard Gina running a bath. I decided to go upstairs to watch her soaping herself, so stripped off my clothing, dropping it on the way. I was getting hard just thinking about her body, and when I reached the bathroom Gina was already in the tub.

Her massive hooters seemed to float on the top of the bubbles as she lay back soaping one of her long legs, which she had resting on the side of the bath. She seemed surprised as I took the soap from her hands and began lathering her bobbing breasts. She lowered her leg back into the water and, as I cleaned her tits, she began to gentle play with her clit.

"Her massive hooters seemed to float on the top of the bubbles as she lay back..."

I massaged, squeezed and scrubbed her beautiful globes as she gasped and mewled sweetly during the orgasm that soon rippled through her lithe body.

Satisfied, she settled her head back, her breath coming in harsh gasps as she recovered. Eventually she climbed out, her magnificent tits heaving and wobbling after her exertions. Sitting on the edge of the bath, she paused for a moment, her wet body shimmering under the bathroom light.

Trickles of water flowed down the valley between her gorgeous breasts, running in tiny rivulets towards her lovely pussy. Noticing that my gaze had drifted downwards, Gina parted her legs wide to give me an open view of her snatch. Using two fingers, she parted her glistening labia lips, displaying her deep pink interior, while stroking her slit with her other hand.

Before long she was moaning softly, her knockers heaving as her cunt muscles twitched, contracting as they strained against her teasing fingers. Convulsing wildly, her pussy sprayed out tiny droplets of her feminine juices as she came with a series of primordial screams that echoed throughout the bathroom.

A grin on her pretty face, she reached across me for a towel and as she did I caught a whiff of her natural aroma, causing my growing erection to harden and I felt an almost desperate need to fuck her.

Noticing this, she took one globe in her hands, raising it to her lips and lapped at her hardened nipple, sucking and nibbling until it stood proud. Happy with the result, she transferred her attentions to the other one, and as I watched this cock-stirring performance my penis throbbed even more urgently.

I could wait no longer and, picking her up, I carried her in to the bedroom and laid her down on the bed. Her legs moved apart, spreading wide in invitation as I moved my rock-hard shaft between her thighs. Holding her pussy lips apart she urged

"Her pussy sprayed out droplets of her feminine juices as she came..."

Dear Michelle,

I've never written in to *Men Only* before, but I felt I just had to put pen to paper (OK, finger to keyboard) in order to thank you for featuring three of my current favourite UK babes in your latest issue. Lexi's always a winner in my book, and the pictures you featured of her in 80,03 showed off all her best assets admirably, not least that shot of her wonderful bum in which she's prising open her deliciously pink pussy lips, just begging us to slip inside. Oh how I wish I could!

And then there was Jennifer, who's clearly one very sexy lady and who looks quite the vamp in (and out of!) her leopard print minidress!

Last, but by no means least, Emma Green, who I've in your sister mag *Mayfair* repeatedly over the last year or so – it was grand to see her wonderful curves being given an airing in *Men Only* at long last! And now we've got Tommie Jo to look forward to this month... I can't wait!

Gary, Richmond-upon-Thames.

LOWE WONDER!

HOLLY

Photos: BB Media

Ah, the delectably Holly Gibbons! Here at Men Only we gave her her first UK top shelf outing, and now she's back where she belongs with a super horny new set of pictures in which, quite frankly, she looks hotter than we've ever seen her before. So Holly, how come you manage to look better and better each time we see you?!

"Well I don't know – I guess I'm always trying to raise my game. You can't just rest on your laurels when you're a model you know – you need to keep in shape, make sure your hair and skin are in good nick and all that! It's quite the full-time job!"

Hmm, well whatever it is you've been doing, it's working a treat. And if we know anything at all about our readers, it's not just your game you've raised with these pix…

me to fuck her hard so I plunged my big, hard prick into her sopping gash with one tremendous thrust.

I fucked her slowly and deliberately, pulling my meat back until my cockhead was just inside her entrance, before slamming it back in again until I was buried to my balls inside her tight cunt. Taking my weight on my elbows, I began squeezing her silicone-enhanced bristols, marvelling at their texture and mobility.

No matter how often I have fucked Gina, manhandling her huge orbs has always led to the ultimate climax for me, and this time was no exception. With my fingertips digging into her bouncing tits I came fast, pumping my load deep inside her squirming cunt. Her pussy gripped my shaft as I hammered my rod in and out of her until I had unloaded every last frenzied drop of my cream.

Wrapped up in the rumpled bed sheets, we lay together, her damp body snuggled close to mine, and I buried my face in her soft bosom and fell into a peaceful sleep. Gina awoke me some time later by kissing my lips softly. Pulling her to me, my fingers found the ripe buds of her stiffened nipples and I tweaked them playfully as she ground her twat against my stirring dick.

Instantly feeling horny, I decided that I would treat myself to a tit wank between Gina's fun bags. She lay on her back while I straddled her stomach and, as she held her beautiful pair together, I thrust my prick between them.

Fucking my cock back and forth between her wobbling wonders felt amazing, and as I repeatedly pumped between them I felt myself nearing to climax. As she squirmed enchantingly under me and bounced her buttocks up and down, I realised I would have to withdraw my prick immediately if I was not to shoot off on the spot.

I turned my attention to her pussy, which was soaking from our boob-play, so I slid my thickened member easily into her juice-coated minge. Shunting my dick back and forth inside her, I kept a tight hold of her knockers while admiring the view of the action I could see in the mirror. As I drove my tool inside her as hard as I could muster, my balls slapped against her arse-cheeks and her fanny muscles clamped around my shaft, attempting to milk it of my come. Unable to hold back any longer, I plunged my cock in to the hilt and shot jets of sticky jizz deep inside her, making us both cry out.

I hope Gina and I do last as a couple, as our sexual tastes and drives are very similar. However, if it does not work out, I know I shall be seeking another buxom lady to share my bed!

Geoffrey, Lincolnshire.

KI WHIZZ!

Dear Michelle,

Wow – what can I say? As soon as I opened my copy of 80.03 and it fell open on pages 10 and 11 I was completely awestruck by the beauty of Kiara. If I've ever seen a girl who deserves at least 11 out of 10 it's this blonde stunner, with her taut body and neatly trimmed thatch of pubes showing off her pussy to the best possible effect!

She says she wants us Brits to be able to see her pussy in their mind's eyes when they go to bed at night, and as far as I'm concerned, her wish has come true! Not that it makes getting to sleep any easy, sadly.

More Kiara soon, please!

Frank, Whitby.

CARRIED AWAY!

Dear Michelle,

Congratulations to your photographer Dazglam for capturing a couple of brand new stunners this issue (80.03)! Maria looked far too innocent for *Men Only*, frankly – until she yanked her little golden panties to one side and showed us that delectable little slit of hers, that is! And as for Carrie, well what an amazing girl, with one of the finest pairs of boobs I've seen in many a moon!

I have to say I think it's amazing that you manage to track down these stunning girls month in, month out and get them to pose for all these horny photos – I don't know how you manage it, but long may it continue!

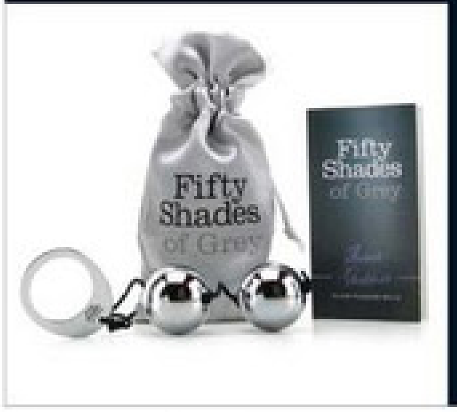
FOR HER: FIFTY SHADES OF GREY 'INNER GODDESS' SILVER PLEASURE BALLS

£24.99 from Lovehoney.co.uk

Beautifully packaged and well made, aesthetically the sleek Silver Pleasure Balls are a winner. The discreet, solid metal spheres are 1" in diameter, meaning that when inserted they will ensure a deliciously full feeling, whilst stimulating your g-spot. The steel-plated ring makes them simple to remove and because they are waterproof, you can use as much lube as you like! Heavier than other such balls (at 221g), you may not want to walk around with them in, but they are perfect for Kegel exercises, toning your PC muscles wonderfully. And if you're feeling particularly adventurous, they can be used anally, too – however, we'd recommend working your way up to it otherwise you won't be walking properly for a week...



FOR HIM: FIFTY SHADES OF GREY 'YOURS AND MINE' VIBRATING LOVE RING

Available now from Lovehoney.co.uk
£12.99

Made from a super-soft silicone material in a – you guessed it! – grey colour, this cock ring is stretchy enough to accommodate most penile sizes, and once on it grips tightly enough to restrict the blood flow, delaying that moment for just a bit longer. The small but powerful bullet uses 2 tiny batteries (though there are 6 included) and is strategically placed on the top of the ring to give both you and your partner the full leg-quivering benefit of its vibrations. Plus, because it's completely waterproof, you can use it in the shower or bath – and cleaning it is a doddle!

P.T.O for more...

Petite Essex-born poppet Chloe Toy set our hears a-flutter when she appeared in the mag a few months back, and if the mail we received on the subject is anything to go by, you lot were rather impressed as well. Now it's taken us a bit longer than we'd have liked, but we've finally managed to pin her down (to a date, that is!) and get her back in for another look… er, we mean shoot.

So what do her mates think now she's made a name for herself buy appearing in the nation's longest-running gents' mag, we wondered?

"Most of them are dead jealous! They've just about got the nerve to send naughty pictures of themselves to their boyfriends, but they're too chicken to appear in a magazine!"

Well if any of them are half as cute as you, we hope you'll inspire them to be a bit pluckier!

Real Life Adventures

Katie's a bit green, but her room-mate's happy to show her the ropes…

Imogen and I are room-mates; we are second year university students and have roomed together since we were freshers. From the first time we met I was attracted to her, and once we settled in together I became addicted to her. It's not just her looks which do it for me, as I am not truly lesbian. In fact with the exception of Imogen, I am solely attracted to men...

In looks we are the opposite of one another. She is dark haired, with brown eyes, and a lusciously curvy body which oozes sex, while I am a willowy blonde, with pale skin, blue eyes, and a model's body. Imogen is very extroverted, sexy, and passionate, while I am more serious and take my time getting to know people.

When we first met I had never been away from home before and Imogen kindly took me under her wing. I had only dated a couple of times and had never even had sex! If Imogen was taken aback by my lack of experience she hid it well, and took me for a tumble in her bed to sort things out and show me just how and where a man should touch me for the maximum pleasure. For weeks we tumbled the bedclothes, licking, stroking and sucking our way to ecstasy by stimulating every erogenous zone in the female body.

"We tumbled the bedclothes, licking, stroking and sucking our way to ecstasy."

At last she considered me to be ready for my first man, and we set out to choose someone worthy to take my virginity. Naturally Imogen had been through the ranks, leaving her knickers hanging on the door handle of our room to warn me that she was busy bouncing on the bedsprings with one or other of the willing males in the university.

Imogen and I are studying Geology, and there was a weekend field trip planned. We were to stay overnight in a remote but beautiful old county house, and we thought it would be a great opportunity to set things up. My first choice was Adam, a great looking and well built

"Before I knew it we were skin to skin, grinding our pussy mounds together..."

guy on our course. I was attracted to him, and he wasn't one of the lager-swilling bad lads that Imogen often played around with.

Adam and I were on smiling terms, but Imogen had already been on more intimate terms with him, so we knew that he would be well up to the job. It was early evening when we got to the country house we were to stay at, and we all found our rooms. Having dropped their luggage off, everyone seemed to be making their way to the bar, but Imogen told me to hang back and have a shower.

When she returned to the room she told me everything was sorted, took a pair of lacy black knickers and hung them on the door.

I asked her what was going on, but she just grabbed me, and, pulling my bathrobe off, tossed me onto the bed and jumped me. As always it was useless arguing with her and before I knew it we were skin to skin, grinding our pussy mounds together. My senses filled with the feel, taste, and fragrances of our Sapphic lovemaking, and we got ourselves tied up in the bed sheets in our passion, so that when the door opened and Adam slid in, I did not notice it until his shadow loomed over the bed, and I watched in anticipation as he quickly pulled off his clothes.

Imogen giggled and held a hand out to him, pulling him down into the bed beside us. In a moment of uncertainty I buried my face in the bedclothes but Adam gently pulled them back and began kissing me. The feel of his strong body against mine made me quiver and as I returned his kiss I felt Imogen's soft body snuggle tighter against me, so that I was sandwiched between them.

Imogen's hand squirmed down between my legs and her finger wormed its way inside my pussy. Eagerly I spread my legs, and as she circled my throbbing clitoris with her thumb, I thrust my hips forward, pushing her finger deeper inside, and began moving back and forth on her hand as Adam cupped my breasts and began sucking a nipple.

My back arched as excitement throbbed through my pussy, making it spasm as it gripped Imogen's finger. I smiled at them both, and lay back not bothering to do anything except enjoy the pleasure. Then Adam stroked my hair and asked me if I was ready, and I nodded.

Imogen offered him her finger and he sucked it, seeming to savour my taste as he kissed her and she reached for his cock and began stroking it in front of me, so I could see how big and erect he had become, and when Imogen licked and then sucked it into her mouth with obvious pleasure I envied her.

As Adam moved between my legs I spread them wide while Imogen kissed my cheeks and stroked my hair. I felt relaxed and ready as Adam pushed his large bell-end against my pussy lips and inched inside. It was a tight fit and as he pressed harder against me, he kissed my lips, pushing his tongue inside my mouth as he pushed his cock further inside me.

Imogen's fingers stroked my tits, gently rubbing my erect nipples as Adam broke through my virgin membrane and slid all the way inside. It pinched for a moment, but once through it felt really good and I began arching my back and thrusting my hips upward to meet his cock.

As I began moving with him Adam began thrusting harder, and when he paused for a moment I almost cried out in protest. But he slammed his cock back inside me harder than before and then held me, and I felt him pumping out his come, filling my throbbing pussy with his warm load. These final thrusts made my pussy spasm around his thick cock, and I held onto him until it finally began to relax and he slid his cock out.

I couldn't really have hoped for anything better from my first time, and Adam, Imogen and I have been seeing plenty more of each other since we got back from the field trip. Now that I know what it's actually like, I think I'm addicted to his cock, although I hope I'll get to try out plenty more over the course of the next year. I'm sure I will, if Imogen's got anything to do with it!

GOODBYE, CRUEL WORLD
BIZARRE CELEBRITY SUICIDES

http://www.corsinet.com/trivia/2-triv.html

A laugh-a-minute site cataloguing how certain celebrities wound up peeping out from under the Grim Reaper's cloak, grinning at their own cleverment at having offed themselves in unusual ways, and most likely with very little thought for what happens after the bloke in the cloak rows them to the far shore of the oil-black Styx.

There are some fascinating cases of self-destruction here – not least that of Gig Young, the American actor who won an Oscar for his performance as a slimy dance-marathon MC in the 1969 film *They Shoot Horses, Don't They*?

In 1978 Gig ended his brief fifth marriage, to actress Kim Schmidt, by loading a Smith & Wesson and plugging his new wife through the head before firing up through the roof of his mouth.

Then there's Horace Wells, who pioneered the use of anaesthesia in the 1840s. In 1848 he was wanted for spraying two women with sulphuric acid. Thinking quickly, he anaesthetised himself with chloroform before slashing open his thigh with a razor. And poet Sylvia Plath, who stuck her head in her gas oven and never took it out.

But, as in so many things, you can't beat the Japanese.

In 1933 Kiyoko Matsumoto, a 19-year-old student, committed suicide by jumping into a volcano on the island of Oshima. This started a fashion in Japan and in the ensuing months 300 copycat teenagers took the plunge.

Most famous of all is Japanese writer and bodybuilder Yukio Mishima, who, in 1970, specaccularly failed to ignite an imperialist coup and committed seppuku - suicide by disembowelment and decapitation.

AMISH SINGLES IN CYBERSPACE
ONLINE DATING SYSTEM TARGETING THE AMISH IS STILL A LITTLE BUGGY

http://www.amishdating.com

"Get in Touch with Devoted, Dilligent and Caring Singles from the Amish Community!" proclaims the banner that can't spell "diligent". But hang on a mo. Let's think this through.

OK. So I'm a lovely little Amish girl who's just turned 18 – pious but perky – and I need to find a husband who is not already a member of my immediate family. Tricky. The Lord knows how but I hear about this amazing "web site" – no idea what that means – which promises to help me. Hallelujah! But lo! - some questions must be asked before I beg Papa and my three strong beardy brothers in wide-brimmed straw hats to both propel and chaperone me in the family buggy to a Real Life Meeting with my Amish soul mate whom I will somehow meet online even though we don't have computers or Internet connections or mobile phones and neither does he…

Question 1 would be about the webmasters. Namely, "Who are these nutters? Are they even Amish?" I suspect not, unless they are running the site off a big clackety wooden server in some Pennsylvanian barn, with string instead of fibre-optic cables which plug into an imaginary USB socket in the horse's arse.

Question 2: Have they ever seen or spoken to an Amish person of any age or either sex?

Question 3: Do they know that the Amish – the Pennsylvanian Dutch as they're called are misrepresented – due to a mix-up when they first settled in the New World between the words "Deutsch" and "Dutch" – as bringing their way of life to America from the Netherlands, when in fact it originates in Germany?

"Next time you post your phone number in a public place, think again. This is a collection of text messages I've exchanged with people who have done just that," says our webmaster, who sits, Smaug-like on a great steaming pile of texting conversations with people so allegedly dumb that they did not think to safeguard their phone number.

Text message after message, to and fro and always pointlessly unfunny, our practical joker insists that they're the idiots. When they beg him to stop texting rubbish, he laughs and texts even more frequently. When people get freaked out and threaten to call the police, he just kicks the torment up another notch. Because he's like… y'know… really funny and shit.

Shit being the operative word. One wonders if he'd be so smug if his own phone number were to end up on the Web.

BRETT

Photos: Tammy Sands

Chris De Burgh's made a career out of warbling about a lady in red, but we'd happily bet a few bob she wasn't anything like as horny as Brett here! Can you imagine how fine it would be to get home and find a girl as sexy as this waiting for you at the bottom of the stairs, playing with her pussy and insisting that you follow her up to the bedroom? It wouldn't be too shabby, would it?

"I'd like to think not!" Brett laughs. "I hate it when my man's away, so I always make sire he feels nice and welcome when he gets home. Sometimes I'm lying on the sofa for him, sometimes I like to leave a trail of clothes up the stairs so he can find me in bed, all ready for him!"

Wow! Well we can only hope that Brett's current squeeze fully appreciates how much of a good thing he's onto – and if he doesn't, then we'd be more than happy to take his place!

RUDE SCOOB

The American cartoon Scooby Doo is a beloved TV-series, still running after over 40 years on air. Who doesn't remember the talking Great Dane and the four teenagers Fred, Daphne, Velma and Shaggy, who solve mysteries by exposing seemingly otherworldly ghosts and monsters as non-supernatural criminals...?

If there is a success in Hollywood, there is sure to be a porn parody following. Luckily for production house New Sensations, Scooby Doo XXX is by far the most successful porn spoof this year, it actually has a plot and great production values. If you're a fan of Scooby, then you're going to find this version very entertaining.

The movie starts out with the perennial question: "Scooby Doo, where are you?" However, this isn't just the hook for a catchy tune; it's the foundation of the movie's plot: Scooby is truly missing and Shaggy can't find him. It is a brilliant way around trying to create an expensive and elaborate CGI version of Scooby – with no Scoob, they just don't have to bother!

27 Year old Norwegian-American Chad Alva has been hand-picked to play scruffy stoner Shaggy, and not only does he look just like Shaggy with his shoulder-length, dirty-blond hair, he gives a great comic performance. Chad's real life girlfriend happens to be super hot Andy San Dimas, so for some reason the dishevelled Chad has something the ladies really like and it is obvious during his sex scenes.

Turns out Shaggy was at a Halloween party the last time he saw Scooby, but he got a little distracted putting his cock into a devilish costumed fairy played by Lily LaBeau. After a brief dialogue, Lily starts off by giving him a blow-job. He then eats her pussy and starts banging her with genuine gusto. After some missionary, Lily slides in on top of Shaggy for cowgirl, and then she gets on her hands and knees for doggie. Lily and Shaggy both get on their sides for spoons before going back to missionary to finish the scene with Shaggy popping on Lily's face. It is passionate, hot and there is a clear bit of chemistry between Shaggy and Lily.

And what do you know; somewhere during all this fucking, Scooby disappears, never to be seen during the entire film!

That sexy redhead Daphne from Scooby Doo was the object of many a teenaged boys' desires and was one of the very first cartoon babes of her time. Depicted as the wealthy good girl in the cartoon, it's good to see Daphne finally getting some serious action from her boyfriend Fred, played by Michael Vegas. Daphne is played by porn superstar Bree Olsen and although she isn't the required redhead, she is terrific as her character. Here we get a spur-of-the-moment sex scene between Daphne and Fred, much to Velma's horror and Shaggy's delight. After they've managed to strip each other down, Daphne starts off by giving Fred's cock some much needed oral attention. He returns the favour, along with a spot of rimming, before moving on to the main event. Again a multitude of positions are utilized, including doggy style and reverse cowgirl. Throw in a little anal fingering, end it with some anal fucking and a facial and it's enough to get prudish Velma horny as hell.

Velma is expertly played by 29 year old Bobbi Starr who stays in character surprisingly well during the whole thing, even when she is pleasuring herself in a bathroom. Apparently she is a bit repressed and has been carrying a torch for Shaggy and his recounting of fucking Lily was a little too much for her to handle. Whatever her reasons, it is a great masturbation scene. They then jump straight into the conveniently available bed and have a good

bout of sexual exploits of their own, starting with Velma swallowing Shaggy's cock. Velma lies back on the bed for missionary after she is done preparing Shaggy, and then she climbs on top for cowgirl. Doggie action starts after this and from there they go straight to spooning. To finish things up, the couple goes into missionary, ending with Shaggy pulling out and spreading his seed across Velma's hairy bush. We always knew Velma was a bit of a closet freak!

Veteran porn stud Evan Stone is turning into a modern day Ron Jeremy. Although Evan is a reliable actor, it seems like producers and directors try to find reasons to put him in every parody movie simply for the sake of having his name on the box. In *Scooby Doo XXX*, he plays a demon and he doesn't even have a sex scene, which might be disappointing news to some viewers.

At some point, in every episode of the cartoon ever, the gang is running from someone dressed in the ghost costume. And then, they run back and forth across a hallway, into one door at one end of the hallway and out of a door at the opposite end. Well, it's all in this porn parody, as well as the silly catch phrases and of course the Mystery Van viewers remember from the original cartoon!

So later on, Daphne finds the others with demon in tow. Velma decides to distract the demon by making a move on Daphne. She kisses, runs her hands around her, and starts stripping her down to play with her. Daphne returns the favour by pushing Velma back to lick and finger her pussy. They also tongue fuck and lick each other before they grind and sixty-nine to climax. Finally the girls close things with a kiss. This is another winner of a scene. There's a sexual tension between the girls as they work each other over. Bobbi and Bree stay in character nicely and once again there's great lesbo chemistry to the end of the scene. This is another hot moment.

And now you are probably thinking; what better way to end the Scooby Doo mystery by finding Scooby – or better yet, a group sex scene? Of course the directors had the same idea, and without revealing what happened to Scoob, let's just say the detectives finally decide to finish off their hard work with a bang. There's a little bit of everything in this foursome scene, including partner swapping, double teaming, 69ing, and all manner of anal play. There was a bit of Daphne and Fred, a bit of Daphne and Shaggy, some Velma and Shaggy, and Fred and Velma... The movie wraps up with Scooby Doo's whereabouts being discovered, and the demon being revealed. The bad guy gets taken away by the police, and the gang lives hornily ever after.

This is a must-have DVD for any of the people who love parodies of the old classics. The non-sex scenes are entertaining, the dialogue is actually pretty hilarious, and this movie could be fun for just about anyone to watch, whether with the sex scenes or without.

Get ready for sex, mystery, sex, hilarity, sex, and more sex! Oh, and by the way.... Scooby Doo, where are you?

We were so enthralled by the sight of the lovely TJ's boobs clad in that lacy bustier when she emerged from the make-up room for this shoot that it took us a full five minutes to notice that her pussy lips were sneakily peaking out from the confines of her split-crotch panties. Wow!

"Do you like them?" she grinned when it became all too obvious we'd finally twigged. "This is my own outfit, and I always love to see how a guy reacts when he notices the split crotch. Sometimes I'll just wear these panties when I'm out and about and give a guy I fancy a bit of a look up my skirt – going upstairs or on the tube or something. They're never sure if they can quite believe their eyes!"

Well, if they've read this they'll know for sure now, won't they!

NATALIA

Photos: Dazglam

Rah – it's the time of the year when we can all start to head back into the garden – but not to do anything as tiresome as mowing the lawn or weeding – not if you work at *Men Only*, that is! We'd only ever consider venturing into the garden if we've got a super cute babe with us who's going to disrobe for the mag, and who better to fulfil that role this month than the delectable Natalia Forrest?!

"I'm glad you picked me!" she grins, giving us a sneaky peek at her enticing pussy through her semi-opaque tights. "I love getting naughty in the great outdoors! I don't think you can say the spring's properly arrived until you've had your first alfresco fuck of the year!"

Oh, really? So has spring arrived as far as your concerned this year?

"It sure has! We had a lovely sunny weekend back in the middle of March, and I made sure my fella was ready for a bit of a ramble in the woods near us. He generally doesn't need too much persuading."

We bet he blinking doesn't!

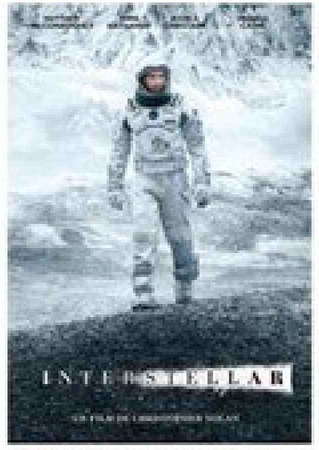
Space might have just lost one of its frontiersmen (not to mention its pointyeasrsmen) – but there's clearly still some exploring to be done!

DVD

DVD of the Month



8/10

Interstellar

Warner Home Video

British (OK, half-British) Director Christopher Nolan's come up with a few classy flicks in recent years, not least *Memento* and *Inception* – and three (*Dark Knight*) Batman flicks as well – so he clearly knows his directorial chops. Still, it requires a good bit of confidence to have a stab at epic science fiction, the genre that is still pretty well defined by Stanley Kubrick's 1968 *meisterwerk 2001: A Space Odyssey* – a film with which *Interstellar* will, inevitably, face comparison…

Set, like *2001*, in the near future, it starts with the Earth in a rather desperate state with crop failures and the like sending humanity back to an almost pre-industrialized civilization. However (ahem, like *2001*) it seems an alien intelligence is trying to get in touch with us, and, well, it falls to Matthew McConaughey and his crew to set out on an intrepid trip into the depths of space to find out where they're coming from – and if they can offer salvation for mankind…

A thoughtful and ambitions film that boasts some magnificent effects and good turns from the cast – and definitely worth a watch or two!

DVD

The Hunger Games: Mockingjay 1

Lions Gate Home Entertainment

True to the spirit of *Harry Potter* and co, the film-makers have decided to split the last *Hunger Games* book into two, which always seems a bit greedy to me, although there's no doubting there's plenty of plot to drive the thing along, and at least it's not a retread of the first two rather similar films. This time Jennifer Lawrence's Katniss has hooked up with Julianne Moore's resistance, and is doing her best to undermine Donald Sutherland's evil government. Lots of action and some poignancy as well keep the franchise bubbling along nicely. Roll on next year!

DVD

Broadchurch Series 2

Acorn Media

Well, it was one of the UK TV events of last year, so the second series was pretty inevitable – but how were they going to carry the story forward when the killer had confessed and everything was wrapped up? Well, if you didn't catch series 2 when it aired last month, now's your chance to find out. Needless to say Olivia Coleman has crap hair and looks anguished, while David Tennant is suitably bipolar, and it's nice to see Charlotte Rampling pitching up as a nearly-retired barrister. The plot's a wee bit baffling, but it's still worth a few hours of your time.

'71

Studio Canal

The early 70s weren't all Marc Bolan and loon pants – over in Northern Ireland the Troubles were raging, and this nifty little independent flick takes a fictionalised look at just what a nightmare that could mean. Jack O'Connell (now a big star thanks to *Unbroken*), plays a newly arrived British squaddie who finds himself stuck on the wrong side of the Falls Road and has to fight for his life to survive when it seems like everyone, from the Provisional IRA to his own superiors, are out to get him. Tense and pacy, with strong performances all round.

Don't Go In The Woods... Alone!

88 Films

Not to be confused with the recent *Into The Woods* (especially if you've got kids watching) – this is one of the original video nasties that dates back to 1981. Directed by James Bryan, you can probably guess how the plot develops, can't you? Yep, that's it, a group of chums head into the woods for a spot of rambling fun and, well, come to all sorts of sticky and blood-spattered endings courtesy of some sort of loony wildman.

It's pretty lo-rent, and doesn't really stand up to *Texas Chainsaw*, say, but as a bit of no-brainer fun/gore it does the job.

GAME

8/10

Battlefield Hardline

Electronic Arts.

XOne, X360, PS4, PS3, PC.

Phew, there have been almost as many entries in the Battlefield franchise as there have been genuine battlefields in human history (alright, I exaggerate a tad there), but either way, it looks like they've actually run out of past – or, indeed, future – battles to set their games in, because this time the battlefield in question is the front line between the LAPD and – no, not homeless unfortunates who need to be tazered and then shot dead – but organized crime.

This shift in emphasis provides one handy opportunity – the game offers plenty of different play modes, from Heist (breaking into a vault and trying to nab the loot) to Hotwire (car-based capers) and Crosshair – an import from earlier versions in which you go *mano a mano* with one of the oppo. Obviously, you can play as either cop or robber, which makes for plenty of variation, and there are loads of weapons and vehicles to try out along the way as well. Graphically it's pretty well all you could ask for, and should prove almost addictive as the narcotics being pushed by the gun-toting crims!

BAD COP, BAD COP

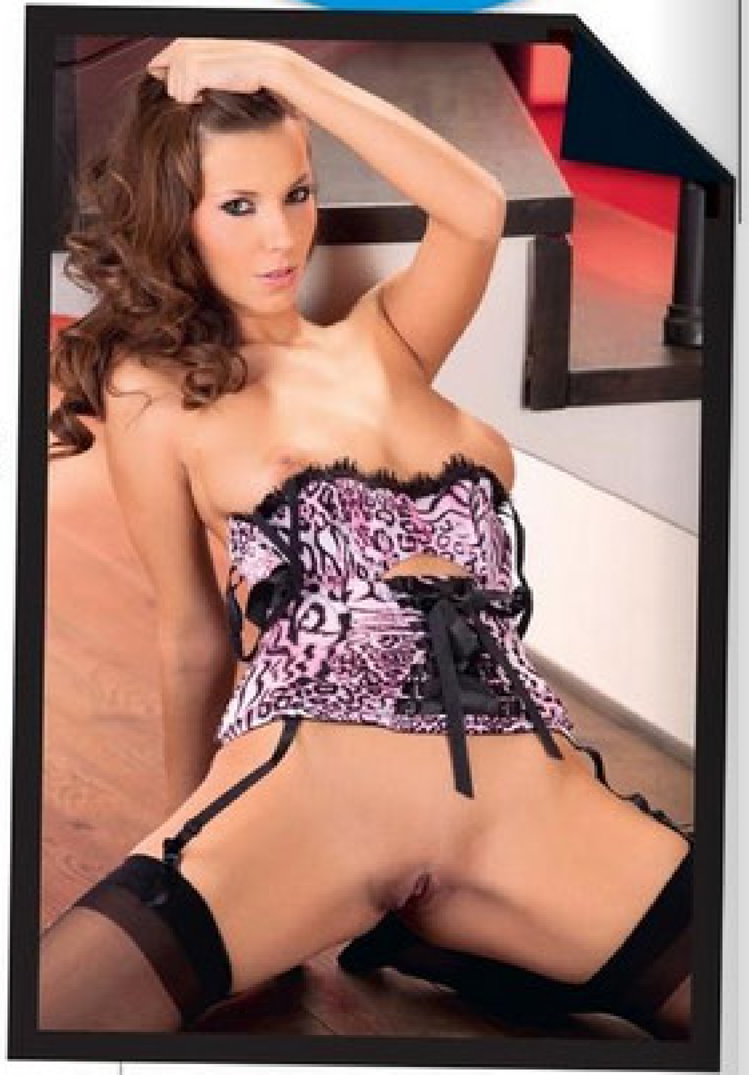
My girlfriend, Natalie, has some very filthy fantasies. I know for a fact that she often imagines someone else is fucking her when we have sex and she really enjoys pretending to be other people. She dresses up as sexy Susan, a secretary who likes to be spanked, and anal Annie, a prostitute who's paying her way through college by selling a particular part of her body but even Natalie can't play two parts at the same time.

"I've got something sexy I want to do," she said. "And I'm going to need someone to help me do it." Experience told me that if Natalie thought something was 'sexy', it was going to be something really special. However, I'd assumed that I was going to be the one to help her. That was until I opened my front door on Friday night. Natalie was standing there with her blonde hair pulled into a tight ponytail under a black hat. "Good evening, sir. May we come in?"

"We?" Natalie stepped aside to reveal a woman wearing mirrored sunglasses, despite the fact it was dark. As she came into view, my eyes were drawn down to the black leggings which clung to the girl's legs and crotch like a second skin.

"It's something of a delicate matter," Natalie confided, making me appreciate the tightness of her own uniform as she leant forward far enough for her full cleavage to come on display. I stepped aside and marvelled at the commanding way the police officers moved inside.

"Can I see your cock please, sir," Natalie asked, as soon as I'd closed the front door.



"Sure," I said, a little hesitation in my voice as I looked across at Natalie's partner. She was standing with a hand on her hip, her eyes still hiding behind those big mirrors. I leant over and fumbled around with my fly.

"Officer Joy, would you like to help the gentleman with his zipper?" My mouth fell open as the unknown woman casually dropped to her knees, bringing her glasses level with my crotch. "This'll only take a moment, sir." To my surprise, Officer Joy really did undo my trousers and pulled both them and my boxers down my legs. Natalie pulled a notepad from within her utility vest.

"The description I have is of the cock when it's hard. Officer Joy, would you please make the suspect's cock hard?"

"Yes, Ma'am." I looked down as Officer Joy took a hold of my cock and started to wank it, an action which made her breasts jiggle as I stared down her top.

"Suspect?" I asked, shaking as an unknown woman wanked me off in front of my girlfriend. Now that Natalie had taken off her bulky jacket, her slim frame and big boobs looked amazing.

"Having my cock sucked while looking into my girlfriend's eyes felt amazing..."

"He's hard," Officer Joy reported.

"If you could just pull back the foreskin," Natalie instructed. There was a real edge to her voice and I couldn't believe how forceful she sounded. "All the way." I groaned as the shiny plum of my glans was exposed.

"Now, what do you think, Officer Joy? Is this the cock we're looking for?" The glasses came off and I was treated to my first view of the bright blue eyes beneath.

"What am I supposed to have done wrong?" I asked.

"We're following up on a report that a gentleman of your description has been exposing himself."

"My description?"

"All the victims agreed that he had a nice big cock," Officer Joy informed me. Her fingers had slipped to the base of my cock and I bent double as her lips touched the swollen tip and parted as they slid several inches down my shaft. Natalie stepped forward and pressed her fingers against the back of the girl's head. Having my cock sucked while looking into my girlfriend's eyes felt amazing.

"This is Officer Joy's first day on the job. I'm sorry if she's a little over-enthusiastic. I'll continue with the search." The way Natalie stripped the shirt off my back felt less like a search and more like a seduction. She ran her fingers up and down my neck, over my shoulders and down the curve of my back before sliding them round and down my stomach to where her colleague was sucking my cock. For a brief moment, my girlfriend's fingers encircled my shaft and her breasts pressed into my back as another girl sucked my cock. Her hands swept around my waist as she dropped behind me and then went between my legs, gently cupping my testicles as Joy sucked enthusiastically on my cock.

"I want you to come in her mouth," Natalie said, giving my balls a tight squeeze. I gasped at the combination of her instructions and her actions. There was no way to resist two girls in uniform playing with my tackle and I soon blew my load into Joy's mouth.

"Oh God," I groaned but Natalie was already moving onto a new target.

"Did you just swallow the evidence?" Natalie asked sharply. Natalie shook her head with obvious exasperation as Joy nodded. "You know what this means? You'll have to collect another sample... with your cunt." Joy gasped as she heard the harsh word. "Don't play innocent with me!" Natalie snapped. "You know the routine. Come-on, get your trousers off."

I moaned involuntarily as Joy started unlacing her boots. "She's a really naughty girl, aren't you, Joy?" Natalie asked, taking hold of my cock. "I hope it won't inconvenience you to provide another sample?"

"No, of course not." Natalie gave my cock a lazy wank as Joy undressed before offering the juicy little slot between her shapely legs.

"Okay. If you'd just like to spunk your load into Officer Joy." Joy moaned loudly as I touched the tip of my newly erect cock against her pussy.

"Oh, you are a naughty little slut," Natalie said, grabbing hold of Joy's hair and pulling hard enough to expose her throat. "Do you like it when I do that?" she snarled. "How about when I do this?" Natalie pulled something which made her trousers split in half. There was nothing underneath and having exposed her pussy, she then stepped over Joy's face and pulled the woman's mouth against her crotch just as I pushed my throbbing cock into Joy's pussy. "Lick it!" Natalie demanded in a tone I well recognised. My girlfriend's hips danced over Joy's face before lifting out of range.

"There was no way to resist two girls in uniform playing with my tackle."

"Beg," Natalie instructed.

"Oh please," Joy said. "I'll do anything." I'd been Natalie's sex slave on many occasions and it was hot to see her mistreating another slave, especially as she had given me full use of the girl's pussy. I thrust into Joy a little deeper than my previous strokes, making her gasp.

"Good little horny bitch, beg me for it."

"Please, please, please," Joy said, her voice barely audible.

"That's better." I felt Joy's pussy spasm as my girlfriend sat on her face. Her pussy was dripping wet already but Joy's body started shaking, shuddering and finally spasming as she achieved a dirty orgasm. It seemed like the perfect moment to follow Officer Natalie's instruction to give Joy another sample. Dizzy with my second orgasm in quick succession, I left Natalie to extract the maximum pleasure from Joy's talented mouth.

"There's one more sample we need to take," Natalie said. "You'll like this," she promised, addressing me. "Bend over," she said to Joy. Joy bent over obediently, if a little nervously. As soon as I saw the way her bumhole had been lubricated, I understood why she was nervous. My cock understood as well, which was why it sprang back to full wood in a couple of heartbeats.

"Joy's body started shaking, shuddering and finally spasming as she achieved a dirty orgasm."

"Shove it in her arse." I didn't so much shove, as ease my cock into Joy's bottom with a slow smooth push. "How that's you horny bitch? How does his cock feel in your tight little arse?"

"It feels so big and round. It almost hurts."

"Do you like your arse being filled?"

"I love it." I gave Joy's tight little bumhole long deep strokes, pausing to let her enjoy being filled.

As I pumped, Natalie rubbed. "Do you like me playing with your clit as you get bum-fucked?" Again Joy gasped at my girlfriend's filthy choice of words.

"I love it."

"Scream for me, Joy. Come for me." The same tell-tale shaking started, followed by intense shuddering. I came with a stuttering but hard orgasm as Joy cried out with the intensity of her own spasms.

"You did well," Natalie murmured, pulling sweaty strands of hair from Joy's face. "Did you get what you came for?"

"Oh God, yes," Joy groaned.

"Bad cops usually do," Natalie said, giving me a dirty wink.

POLE TO POLE!

I know immigration's a bit of a political hot potato these days, but I have to say I haven't got a problem with it – not lest because I have recently started going out with a girl from Poland. Dorota is a slim and blonde, but she has a great pair of knockers and, to be blunt about it, she fucks like a proverbial rabbit. Best of all, she's usually the one to make the first move.

She also likes to dress like a bit of a tart, and although I wouldn't like to take her home to meet my mum or anything, it makes me feel really horny seeing her wearing those short vinyl skirts and clingy tops. I even persuaded her to add some fishnets to her wardrobe to go with the spike heels that she's so fond of wearing. Most British girls I have gone out with would not be seen dead in such a get-up, but Dorota knows that it's sexy and likes the attention she gets.

> “With one thrust I plunged my cock inside her box..”

Her English is pretty good so we don't have any problem communicating. It makes life easier, but even if she couldn't speak a word of English it wouldn't matter because we don't bother too much with conversation. Dorota likes to party, but when we get behind closed doors she gives me her full attention and expects to get mine.

A couple of nights ago we came in after a night on the town. She had downed a few too many and was feeling feisty and wanted to have sex the moment we stepped inside the door. I had been hoping for this and had laid off the beer a bit because I didn't want my night to be ruined by a dose of brewer's droop. I had barely locked the door when she threw herself at me. With her arms around my neck she kissed me deep, pushing her tongue right to the back of my throat.

> “She began pumping my cock and trying to guide it towards her wet hole.”

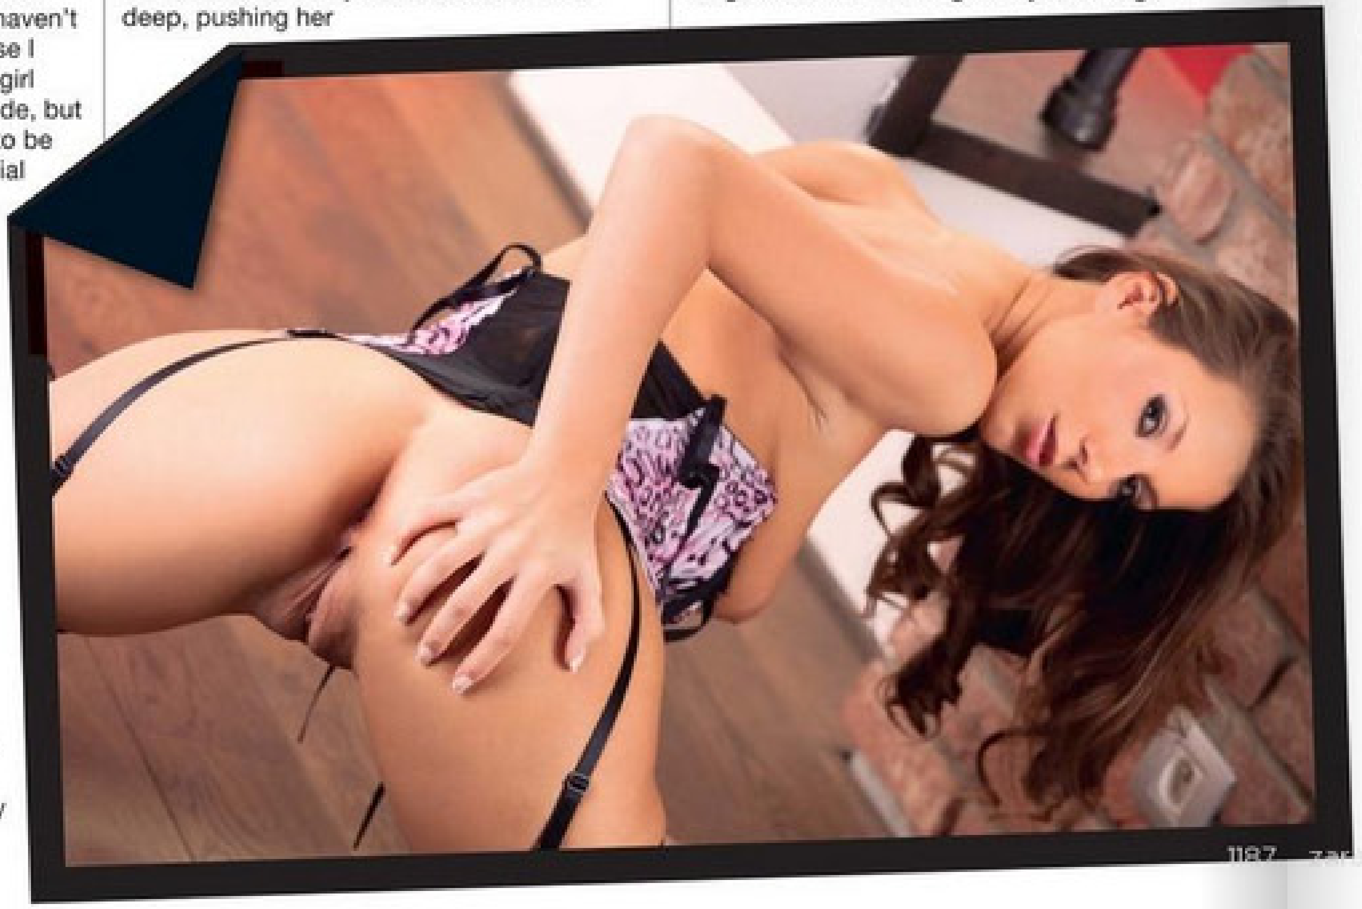
Tongue play is always a sign that she is raring to fuck, and when she wrapped her long legs around my waist, I carried her straight to the bedroom. Dumping her onto the bed, I stripped off as she wriggled on top of the bedclothes, ripping a hole in the crotch of her tights with her long nails. As usual, Dorota hadn't bothered with panties, so her pussy was bare and damp, waiting for my cock. Ignoring her juicy little pussy for the minute, I reached for her tits, playing with them through her tight top.

Tweaking her hard nipples through the thin material, I made her wriggle and gasp, and straight away she took hold of my shaft and began pumping my cock and trying to guide it towards her wet hole. I was well ready to fuck her then, but I like teasing her and making her beg for it, so I shook my head and moved down to her twat and began to lick at her pussy lips.

> “I rammed my tongue deep inside her pulsing pussy, savouring her juices as she came.”

She lay back with her legs spread wide, holding my head as I ate her pussy. I licked her clit with the tip of my tongue, batting it back and forward until she pushed my head against her cunt. As she came I rammed my tongue deep inside her pulsing pussy, savouring her juices as she came.

Abruptly I pulled away, laughing at her protests. She's very greedy when it comes to sex, but I had pleasured her enough with my tongue and wanted to give my cock a go in that pussy.



Turning her over, I pushed my solid prick between her thighs and pressed it against her pussy lips. She was well warmed up and, as usual, dying for dick. She raised herself onto her knees and, looking back at me, asked me to fuck her hole hard.

With one swift thrust I plunged my cock right inside her box, forcing my full length inside. Her pussy gripped around my shaft, squeezing it tight, and it felt wicked. Pulling my length back slowly, I waited a second before plunging it back in with full force. Dorota moaned with pleasure as her pussy muscles once again gripped my plunging shaft.

Thrusting my rigid pole back and forth inside her gripping, dripping twat was fantastic, and I kept it up for a couple of minutes until I felt her stiffen and her pussy squeezing tightly around my rod. She gasped as she came, her hips thrusting back towards my groin as she jerked and bucked on my cock.

Then she turned around and took hold of my nipples. I never thought that my nipples were that sensitive, but Dorota knew how to get them throbbing and my cock felt near to bursting as she pulled and twisted them. I was near to coming but I still hadn't fucked her tight little arse ring, and I had been looking forward to that part all evening. Covering my fingers with saliva, I lubricated her bum hole. She wriggled her tasty little arse, encouraging me to fuck it.

> “Dorota moaned with pleasure as her pussy muscles again gripped my plunging shaft.”

I began to work my finger around her puckered little anus, pushing it gently inside her tight sphincter. Moving it gently around inside, I fingered her until she was relaxed enough to take my cock. Slowly, I slipped my length right the way in as she fingered her dripping pussy.

She dipped her back as I drove my cock in and out, gradually building up speed as she rocked back and forth on my knob. We worked together furiously to pleasure one another, and soon we were coming simultaneously with her tight anal muscles milking my cock as I sprayed my load right up inside her bum. Immigrant problem? Just keep them coming, I say!

Looks like our house reviewer's received a pretty impressive collection of grot this issue. So that's another without him actually managing to step outside his house…

Trophy Wives

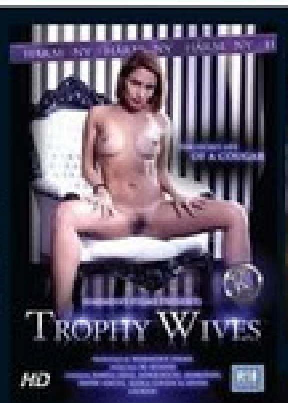
Harmony

Cast: Barra Brass, Aphrodite, Dorothy, Snow Angel, Kayla Green, Silvia Lauren.



Harmony haven't really been known for producing romantic, couply porn – unless one of the couple in question happens to be a, erm, student at a finishing school and the other one's a teacher… or unless one of the couple lives in the cage and the other's in the habit of wearing a gas mask. Still, this flick involves no such perversion, instead featuring a series of vignettes that, well, you could watch with the missus (assuming she's into this sort of thing).

With no unnecessary dialogue, we cut to the chase, with blonde Aphrodite spreading her thighs wide so her burly lover can lavish her trimmed pussy with plenty of attention. Fingers, tongue and finally cock makes themselves at home, and then it's spoons, doggy and cowgirl before she jerks him off – over her cheek.

It's another romantic pairing up next, with Barra Bras (wasn't that the bloke they let go instead of Jesus? – The Ed.) geting a very long tease from her man as he slowly homes in on her pussy. His reward for all his patience is, once he's pounded her prominently clitted pussy, a chance to poke her up the bum as well – a chance which he in no way squanders.

There follows some rather tasteful lesbiage between Dorothy and Snow that's rather reminiscent of a Viv Thomas flick and then it's back to hetero matters, with heavily inked Kayla frigging frantically as she's shafted, and finally bushed-up covergirl Silvia getting a proper seeing to courtesy of her very muscular stud. **Available from your local sex shop.**

Deception

Private

Cast: Jasmine Jae, Aletta Ocean, Cathy Heaven, Stella Cox.

Here's a challenge – imagine that our very own Jasmine Jae, clad in some saucy lingerie, is crawling across the bed towards you and toying with your dressing gown cord. Reckon you could look glum? No, me neither, so hats off to woodsman Ryan Ryder, who (in the interests of the plot) really does look as miserable as sin. Still, if anything's likely to cheer him up, is Jasmine noshing on his knob, which she's soon doing with gusto. After plenty of pronging in all the requisite positions she finally ensures he's properly cheered up by stroking him off over her fulsome boobs.

It's two cocks for Cathy Heaven in the next scene, which is set in the sort of nightclub that only lets flampers and woodsmen in. Oh, and cameramen, thankfully for this flick. She's quite the cock-gobbling adept, and isn't above offering up her jacksie as well, with things ending up with a nice DP, for which the girl is finally rewarded with a double pop to the chops! Aletta Ocean's always strokeworthy enough, and puts her stud through his paces in the next scene (with a top facial to finish) before Italian strumpet Stella and then Jasmine round things off. London locations and a bit of a plot mark this out as slightly different offering from Private.

Hotel No Tell 2

4/5

Wicked

Cast: Asa Akira, Kleio Valentien, Bonnie Rotten, Sara Luvv, Jillian Janson.

OK, first things first – this one kicks off with a bit of buffoonery between a bellhop and some old fella dressed up in a peculiar hip-hop style outfit. Hmm, I was just thinking about hitting the fast forward when, bold as a couple of brasses, two scantily clad flampers (Kleio and Asa) book in and head up to their room for some sapphic fun. The scene lasts nigh on half an hour, during which time the girls poke their fingers, tongues and a couple of sex toys just about everywhere you'd want them to.

There follows an eye-pleasing boy/girl in which Seth Gamble and Sara Luvv get properly acquainted, the highlight being a really splendid reverse cowgirl that sees his rubbered-up prick sawing into her juicy pussy at lightning speed. When he splashes off impressively over her belly, it's hard to blame him, but it turns out that Sara was really just the warm-up act for the scene that's the undoubted high-water mark of the flick, in which heavily tattooed Bonnie takes on a couple of stunt cocks. Now not everyone's a fan of tatts, but the amount of energy this girl puts into her scene is pretty staggering, and the guys really go to town. She's a squirter, and they get her splashing off all over the place as they plunder her holes every which way. By the time they settle into a DP you can only admire their staying power, and if Bonnie doesn't bag some award for her efforts then I'm a Dutchman.

Well, I had to take a little breather after that scene (if you take my meaning), but there are still two more to go. The first a nicely shot and not-too-pervy coupling that see's extremely pretty maid Jillian's nicely bemuffed nadger getting a thorough pronging from her lucky beau, and the second offers us a welcome reprise of Asa Akira. She's in futuristic bacofoil costume – but not for long. No anal here, but she looks grand whichever way she's taking it, frankly.

Big Titted Housewives 5

4/5

Pumpkin Media

Cast: Katie Jones, Ava Koxxx, Bibi Fox, Lucie Love.

Hmm, housewives are certainly a lot hornier looking than they used to be when I were a lad – no more housecoats and rollers if this lot are anything to go by. Some might try to suggest that the big-titted babes in this film aren't, in fact, your genuine housewives, but I've got no reason to be suspicious. In any event, what they very clearly are is ravenous for cock, and taking it every which way! Blonde cutie Bibi wastes very little time before she's squatting between her two beaus, a prick in each hand, and then she's very quickly into DP territory. A strong opener, and there's also plenty of anal for covergirl Katie, including a reverse cowgirl that doesn't leave much to the imagination. She even wraps things up with a titwank, bless her!

Lucy Love is, if possible, even ruder, with some full-on close-up work focusing on her well-used jacksie. Another two cocks for super-busty Ava see us out in high style. If you like your bongo without unnecessary frills, that'll do the job nicely.

I Want You

3/5

Paradise Film

Cast: Eve, Aurora, Lira, Iveta, Abigail.

I'll confess it right now – I don't know which girl is which in this flick – it's not clear from the sleeve, nor from the film itself. So I'll just assume they appear in the order listed. That being the case, the flick opens with one of its stronger suits – Eve (if it's her) is a cute young thing who's decked out in stockings and suspenders and who, after the requisite preamble, allows her fella to stick two fingers and then his prong up her bum. Hard not to envy him as he ploughs away, and the camerawork captures it all very ably.

Aurora's another eye-pleaser with rather splendid boobs, which her paramour makes full use of. She likes a little vibe on her clit as she's being fucked, and who's to argue with that?

A cavalcade of comely cock-worshippers follow, all of whom appear to enjoy themselves thoroughly, and there are a couple of solo masturbation scenes thrown in at the end for good measure. **Available from your local sex shop.**

Vanessa

Photographs by R. B. Kane

zera256@gmail.com

Vivacious intelligent and horny—that s Vanessa our 25-year-old model from Malibu Beach in California For those of you who are fortunate enough to travel to LA look out for Vanessa every morning at 7 a.m having her early morning dip

It's purely for therapeutic reasons that I swim first thing in the morning Vanessa says It's a marvellous form of exercise and great, too for relaxation purposes Of course the weather in California is always warm so even in the winter I'm religiously out there for at least half an hour

Vanessa doesn't leave her early morning exercise just to swimming because after she comes out of the water she makes straight for her boyfriend and starts nibbling at his ear until he wakes up And then she ll tease him until there s no sign of the past night's sleep left—just an aching in his groin that's bursting to be satisfied But Vanessa and her boyfriend never make love in bed at this time it s always either in the shower or in the bath

You could say she continues that I have an extremely healthy sexual appetite —which is a polite way of saying she is over-sexed— because I spend an awful lot of time on the job In fact screwing is the only pastime that doesn't bore me—apart from swimming but I suppose you d call that my sexual hors d'hoeuvres

Horses for first courses—or so someone (wishing to remain anonymous once remarked

SAMMY

Photos: BB Media

Now we're sure Sammy Jayne won't mind us saying that she's not straight off the turnip truck – in fact she's been tenting the trousers of her many fans the world over pretty well since the turn of the millennium. But lo and behold – as these pictures demonstrate all too clearly, if anything she's improved with age! So what's the secret, Sammy?

"Well, they say women don't reach their sexual peak till later than men, and I think they're probably right. I know I feel sexier now than I did a few years ago, and thankfully I'm never short of a male admirer or three with whom I can have a bit of fun from time to time!"

We bet you aren't! But if you do ever happen to find yourself at a loose end, be sure to give us a bell, won't you?!

CASSIDY

Photos: Twistys

Biblical scholars will be all too aware that you can find interesting things hidden away in reed beds, but as far as we're aware the good book makes no mention of anyone stumbling upon a busty babe who's peeling her clothes off and playing with herself in the middle of one. Bit of an omission, that, and one which we're happy to rectify, albeit a bit on the late side!

Cassidy Banks is the girl in question, and her sulty looks couldn't be better suited to such a sub-tropical location!

Ahem, anyway, now we'll shut up about the god book so that you can have a good look…

Issue 80.05 on sale May 1st

OK, so if you wanted to be particularly harsh, you could gyp us off for featuring two girls called Samantha on our Coming Next Month page, but we reckon we've got a pretty fair excuse. First off, one of them is Britain's very own Samantha Bentley, who as well as featuring in some rather mucky films of late is also cropping up in season 5 of *Game of Thrones* this May! And the other Samantha is none other than Samantha Saint – quite possibly the hottest porner on the scene! So no more gypping, please!

Coming next month
